National Association of Broadcasters Marconi Award Winner, 2004 Adult
Contemporary Station of the Year

Michigan Association of Broadcasters Station of the Year
2002, 2003, 2005 and 2006

Serving the Citizens of Southeast Michigan,
including Lenawee, Monroe, Washtenaw,
Jackson and Hillsdale Counties for 43 years!

No. of Copies rec'd 0
List ABCDE

While Michigan is a beautiful place to live, it is also a state plagued by many things, including the highest unemployment in the country. We know with these economic conditions that our community would need us more than ever. Our mantra in 2007/2008: To strengthen our local community and economy by helping citizens, non- profits and businesses with excellent community programming. We are a stand alone FM of 3,000 watts, in a community of license of 23,000 people. With no local TV station, we are relied on for local news and community affairs programming, and we are committed to our community. We serve markets within 35 miles of our city of license.

News:

13 daily newscasts Monday thru Friday
 News Headlines 3 times a day Monday thru Friday
 10 newscasts on Saturday
 8 newscasts on Sunday

Our news department covers city and county commissions, school boards, election cycles, business and economic news, and pretty much anything that matters to our citizens. We host a local call in talk show each week for 3 and ½ hours....a community forum for our county.

Weather:

18 weathercasts per day
 Weather phone 24/7
 NOAA weather forecast on our website

Community Affairs:

****Community Conversation**, local 10 minute interview program airs 4-5 times per week, available to non-profits.
****Monday through Thursday**, our morning show interviews a local non-profit or elected official @ 7:40am
****Over 104,000 Public Service Announcements broadcast annually....including :30's, :60's and :05's run in a regularly scheduled sequence each day, and special PSA runs for other organizations, including the local United Way, Junior Achievement, Associated Charities, the Red Cross, the American Cancer Society local Relay for Life, the Catherine Cobb Domestic Violence Shelter, the Daily Bread Soup Kitchen, the Salvation Army and more.**
****Special events created for individual organizations, including a women's professional clothing drive for the Domestic Violence Shelter, A coat and blanket drive for back to school, selling paper apples to buy new socks and underwear for children in our community, an annual fund drive for homeless veterans and more...including honoring students and educators through programs like "Student of the Day", "Athlete of the Week" and "Teacher of the Year".**
****3 and ½ hours of Spanish language programming per week**

All told, WLEN'S in-cash and in-kind impact on local non-profits in our community exceeds \$600,000.00 each year.

fm 103.9 fm

2007 Report to the Community News

As a community radio station, we are committed to local news. We have no television stations and only one daily newspaper, so our community depends on us for local news and information and the need to keep our public officials accountable. We cover city/village/township and county government meetings each month, as well as 13 different school districts in our county.

Our news coverage is comprehensive with 13 daily newscasts Monday thru Friday. In addition we cover news headlines three times a day. On Saturday we have 10 newscasts and on Sunday, we have 8 newscasts.

Weather

In Michigan we take the weather very seriously. In addition to securing the services of a meteorologist, we broadcast weathercasts a minimum of 1 per hour 5am-Midnight Monday thru Friday. That's 18 weathercasts per day. We have a weather line where people can call 24/7 to get the latest forecast. We also have the local NOAA weather forecast available on our website.

When NOAA came to us and wanted to use our tower for their weather service, we gladly obliged. It allowed them to reach a three county area, including Brooklyn, Michigan and Michigan International Speedway, which is plagued by severe weather every summer during the race season. We also donate tower space to our local REACT organization. They are mobilized in local emergencies.

Winter plagues us too. At left is an email from the county road commission. February 13th and 14th, 2007 hit us with severe weather. Over a foot of snow in less than 24 hours, 30-40 mile an hour winds caused 3-4 foot drifts. It was a true snow emergency even in Michigan. In an effort to assist the emergency personnel, our morning show announcer Jerry Hayes rode along with the snow plow driver to get a first hand idea of what they face. His live broadcast from the snow plow helped to get the word out to the public at large.

Hi:
Thank you for getting the election results for Onsted on the radio so soon after the polls closed. I know you have to wait for the clerk to call in the results but it was obvious WLEN Radio was ready to report the results as soon as they received them.

I was in Ann Arbor when I heard the results about 8:25 p.m. Luckily for me, I was in the right spot where I could pick up WLEN. It faded in and out while I was in Ann Arbor.

2007 Report to the Community

Community Affairs Programming Continued.....

"Partyline Now":

"Partyline Now" is our locally produced 3-½ hour talk show. It is on the air every Saturday morning. It allows our citizens a forum to discuss concerns of the community. It is "a must listen" for our public officials and gives them some indication of the "pulse" of our community. Community affairs issues are often discussed in this forum. We also provide a once a month forum to the "Ask a Lawyer" feature in which Lenawee County Bar Association members are guests on the show for one hour, answering legal questions of the community. Other significant coverage in 2007 included: Discussion with local hospital officials on the staph infection outbreak in a county school, Associated Charities fund-raising event, Madison School 8th grader Devin Stevens discussed his "Operation Support the Troops" project, collecting cd's and dvd's for the troops overseas. The new Adrian High School Principal discussed the on-going construction projects at the school and got introduced to the community. LISD Great Start Collaborative coordinator Megan Kapinski discussed the program that will work on support of 0-5 year old children to get them ready to enter school. Solid waste coordinator Sue Ringman discussed the upcoming electronics and tire collection. Lenawee County Sheriff Richardson discussed the new Crime Stoppers Website. Paul Trinka the Angel Food Director discussed the Angel Food Ministries, which provides healthy food at a low cost to those in need. Congressman Walberg discussed his upcoming town hall meetings. Michigan Lyme Disease Association conversation about how to prevent contact with Lyme Disease. School funding conversation and issues with two local school superintendents. Discussion with Consumers Energy representative on reduction of hours at the local facility and payment options for consumers.

Public Service Announcements:

WLEN broadcasts nearly 105,000 total public service announcements annually. In addition to those described in other sections, we have regularly scheduled :30's and :60's and run 12-18 of those announcements per day. Plus every twenty minutes or three times per hour community announcements of :05 each are broadcast. 5 times a day we broadcast a community announcement calendar which runs 5 minutes in length. Other announcements are for organizations we support. We sponsor the Lenawee United Way with over 100 announcements annually, the Junior Achievement organization with \$10,000 worth of announcements annually. Associated Charities of Lenawee clothes children for back to school and runs the Toys for Tots program in our community, we assist them with over \$10,000 in announcements annually. The list goes on.....from the Alzheimers Association to the Red Cross.....these are not specific events but rather organizations that have the use of a spot bank to communicate and educate the public. It's about being respectful and responsive to our community, and to us, that really matters.

July 8, 2007

Ms. Julie Koehn, president
WLEN Broadcasting
PO Box 687
Adrian, MI 49221

Dear Julie,

Thank you so much for your generous contribution to our Lenawee United Way 2007-2008 campaign. Through your donation, you have demonstrated it is the people in our communities who matter. We applaud your dedication to Lenawee United Way and your commitment to the people who ultimately will benefit from your leadership and generosity.

As you are aware, the need in Lenawee County continues to outpace the ability of our resources to reach our most vulnerable citizens. Your in-kind sponsorship at the Investor Level of \$1,000 allows more of our donor dollars to help close the gap for our economically disadvantaged residents.

As previously indicated, your in-kind sponsorship will be recognized during our campaign. But, the real reward you receive will be knowing your contribution--combined with those of other donors--is addressing the needs of our community. Together we can make a difference. Together we matter.

With deepest appreciation,

Joy Smith
Campaign Chair

2007 Report to the Community

Supporting our country...Supporting our community. It's all part of what we do everyday at WLEN Radio in Adrian, Michigan. We set up and participated in regular and specific public service efforts throughout the year. The net proceeds of those efforts exceeded \$600,000.00 in cash and in kind public service, and over 1500 volunteer hours from 20 WLEN Radio staff members. Not bad for a stand alone 3,000 watt fm in a community of license of less than 25,000 people.

103.9 WLEN hosted the 2nd annual "Thank A Vet" day on Thursday, November 8th. Lori Sallows, Jerry Hayes, Patt Hayes, John Koehn and Jim Mooney braved the elements with a curbside live broadcast, beginning at 6 a.m. in front of the WLEN studios, 242 West Maumee Street, Adrian. Hour-by-hour broadcast sponsors, veteran organizations and WLEN personnel, all working to build awareness and education of Veteran's issues in Lenawee County. This fundraising event collected cash for a special account set up through Lenawee Emergency and Affordable Housing Corporation called "Dire Needs of Lenawee County Veterans." In exchange, donors received patriotic gifts of appreciation. "Thank A Vet" was a huge success, raising over \$4,800.00 for the service men and women of Lenawee. We couldn't do it without the help of our sponsors, staff and volunteers...Thank You to all of you from all of us @ 103.9, WLEN.

Lenawee's Largest Loser!

1st quarter of 2007 saw our second Lenawee's Largest Loser. WLEN Radio joined with Adrian Locksmith and Cyclery to promote healthy living. Over 200 people participated to lose weight and win a Bowflex elliptical donated by the sponsor. Lenawee County lost well over 1,000 pounds in this three month period and the winner is shown here with our sponsors. The stories were the most heartwarming, one woman was able to stop taking insulin and got her diabetes under control, and our own Promotions Director who was on the WLEN team was able to stop taking her blood pressure medication. 103.9 WLEN was pleased to be honored by the Michigan Governor's office on physical fitness for this effort.....

fm 103.9 fm

WLEN Radio

103.9fm

2007 Report to the Community

From the American Red Cross, to the American Cancer Society, WLEN Radio put forth extraordinary efforts in community service. Supporting the events of others, and creating our own events, including hosting radio auctions for the Lions Club, Associated Charities Toys for Tots and our annual American Cancer Society Relay for Life Celebrity Pie Auction.

When the Sale Manager for the local newspaper lost her daughter, and wanted to honor her with a blood drive, she turned to us for help....of course we obliged. Her 20 something daughter had survived a tour in Iraq only to come home and be murdered, a victim of domestic violence. We co-sponsored a blood and needs drive with the local paper. Raising 93 units of blood and a van, car, and truck bed full of food and personal care items to send to our military abroad.

fm 103.9 fm

8th Annual Celebrity Pie Auction

100 % of the proceeds will benefit the 2007 Lenawee County American Cancer Society Relay for Life

Listen to 103.9fm on Thursday August 2nd, 2007 from 6am to 5pm, and bid on pies donated by WLEN Radio personalities, local celebrities, and local businesses. Call 517-263-1039 to bid. Pies will be auctioned off each hour. You can pick up your pies Thursday or Friday 8am and 5pm.

**To donate a pie,
call 517-263-1039
before July 27th,
2007**

While we have supported our annual relay for life for years with our annual Celebrity Pie Auction. This year we took it to a new level. The Morning Team of Jerry and Steve, challenged afternoon announcer Tonya and Leslie in the front office to raise the most money for the cancer relay. The loser agreed to take pies in the face....they were unaware that an anonymous donor would tie it up....so they all agreed to take a pie in the face for the American Cancer Society. They raised over \$3,000.00 and along with the pie auction, the station raised a total of \$5,136.78....

2007 Report to the Community

**Rally to Ride 2007, raises
over \$4,998.00**

WLEN Radio's Lori Sallows spearheaded the 4th annual WLEN Rally to Ride. This motorcycle road rally is held annually to benefit a different little-known charity each year. 2007 raised funds for SMPVI, the Southeast Michigan Parents for the Visually Impaired. Last years ride raised funds for NYPUM, National Youth Program Using Mini Bikes, where kids can earn points doing positive things and those points can be redeemed to ride dirt bikes. Previous charities that we supported with this event include the Boundless Playground, a fund-raising event to build a local playground so all kids, those with disabilities and those without can all play together. And, the Handicapped Riding Program, where horseback riding is used as physical therapy for kids with disabilities. For some it's as close as they ever get to walking. To date over \$20,000.00 has been raised thru this event for local non-profits in our community.

Rally volunteers, including: far left front row, WLEN's General Manager Julie Koehn, Production Director Tonya Lightner, Front Office Leslie Lambka, and from second from the right, Promotion Director Lori Sallows.

2007 Report to the Community

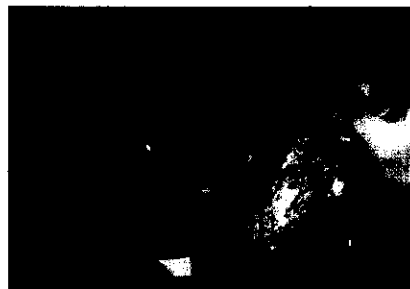

Local News, Sports, Weather, Community Service, Community Information and great music are why people tune to WLEN Radio 103.9fm. We're the local NOAA weather station location, and the only local station with auxiliary power at both our studio and transmitter..so, we're on when we're needed most. For each of the 20 folks who call WLEN home, it's about serving the community in which we live, making it a better place, one day at a time.

Each year as part of Administrative Assistants Day in April, WLEN Radio collects women's professional clothing for the Catherine Cobb Domestic Violence Shelter....Catherine's Closet. In 2007, over 900 pieces of clothing were collected and professionally dry cleaned before being donated to the Shelter!

WLEN's Teacher of the Year!

IN WHAT IS AN ANNUAL EVENT, WLEN BEGAN 2007 BY SELECTING A LOCAL TEACHER AS TEACHER OF THE YEAR. WE TOOK NOMINATIONS FROM STUDENTS AND PARENTS, AND PRESENTED THIS YEAR'S TEACHER OF THE YEAR WITH A CHECK FOR \$500 TO USE FOR CLASSROOM SUPPLIES, AND FABULOUS GIFTS FROM OUR SPONSORS. VALERIE WILSON TEACHES 4TH GRADE IN CLINTON, MICHIGAN. COULD YOU TELL SHE WAS SURPRISED?

Teacher of the Year,
Valerie Wilson getting
congrats from her kids

WLEN's News Director Rick Nicols with Lori Sallows, Promotions Director surprising our Teacher of the Year!

When our local internet provider came to us with some startling facts, we knew we had to do something to help. Over 180 school age children are homeless in our community. Many of these children are unattended youth...they have no family support. The Homeless Education Program within our public schools provides clothing, temporary housing and meal cards to these youth. While the state and the local school district share the cost of an administration person, it is up to her to beg, borrow, or in other words, do whatever is necessary to find the things she needs (like blow up beds, because any youth placed in a home for overnight must have a "bed" of their own, required by law). So Legacy of Compassion was formed. We secured the assistance of the local newspaper and got donations of "matching" gifts from Meijer (a Michigan grocery/everything you need store), Domino's pizza and McDonald's all agreed to match gift card purchases up to a specific amount.

Adrian, MI 49221

March 27, 2007

Dear Lori,

Thank you for letting homeless kids touch your heart. I from the radio spots to the live remote, the Legacy of Compassion campaign raised awareness and donations. I think it was a huge success! I had three people offer to throw a graduation party for the homeless girl who didn't want me to rent her a graduation cap and gown. I think the radio advertisements alone helped break down some community prejudice homeless students face. Thank you for that.

On Monday morning I had five homeless students in my office. One of the girls had not eaten since Saturday. She reminded me the Daily Bread wasn't open on Sunday to get a meal. I reminded her Salvation Army was open on Sunday. She always forgets about Salvation Army meals. She received some Arch cards so she could eat in the evening and on the weekend. She sends her thanks. She said "I don't listen to WLEN, but I guess I'm going to now." You are the radio station that fed her when she was hungry.

Sincerely, and with deep gratitude,
Beth McCullough

2007 Report to the Community

fm 103.9 fm

In the foreground is Jerry. Jerry does the morning show on WLEN, he also works in sales. Jerry is active in his church, working as a character in their annual "live" Journey thru Bethlehem. Jerry is also on the board of the Lenawee Christian Mission. A shelter for homeless men in our community

WLEN Radio wouldn't be what we are without the people who call the station home....with over 1500 community service hours donated by our staff of 20, we are all about making our community a better place.

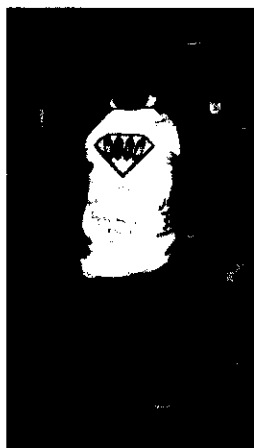

Production Director, Tonya Lightner drives our car in the Junior Achievement Grand Prix. The event raises money annually for Junior Achievement of Lenawee. When she's not busy at the radio station, Tonya reads to kids at St. Joseph school every week and teaches bible study to teenagers at her church, she is also an appraiser for Destination Imagination, and a fund-raiser for Spring Arbor College.

Pictured here, WLEN's Julie and Lori. Julie is the General Manager, and Lori is the Promotions Director. When she's not at the station, Julie is active as a Past Chair of the Michigan Association of Broadcasters, Trustee of the MABPAC, Chair of ATHENA Lenawee, on the board of the HOPE Community Center, and the Devil's Lake Yacht Club. Julie is also responsible for the John W. Koehn Memorial Scholarship which is given away annually to a student of broadcasting. Over \$17,000.00 has been given away to date. Lori keeps busy at WLEN, but she also finds time to volunteer. She speaks at the My Marriage Course, she's an active member of the CMA, a women reaching women leader, and she is on the advisory panel for the local vocational technical school. She is also a Tecumseh Chamber Ambassador, Road to Recovery Board Member, a Licensed Minister and an active church member.

Dale is the Program Director at WLEN. He is also the Public Service Director. He directs the regularly scheduled public service announcements and community affairs programming. In his off hours, Dale is the President of the board of Associated Charities of Lenawee, and he volunteers for the Lenawee County Agricultural Society, the Adrian Kiwanis Club, and 4-H. Shown here volunteering to read to elementary kids in the schools Rock and Read Program. Lori Sallows, Jerry Hayes and Steve Barkway from WLEN also read to classrooms that week.

Our News Director gets serious....when he's not investigating news, he raises funds for the Daily Bread Soup Kitchen. Pictured here, he agreed to wear this outfit in their Super-run if he could garner \$1,000 in sponsorships. Looks like he did and the entire event raised over \$12,000.00.
